Capability Worksheet

CM - Configuration Management

PS - Personnel Security

AU - Audit and Accountability

MA - Maintenance

PL - Planning

PM - Program Management

RA - Risk Assessment(s)

SI - System and Information Integrity

AC - Access Control

AT - Awareness and Training

CA - Security Assessment and Authorization

CP - Contingency Planning

IA - Identification and Authentication

MP - Media Protection

PE - Physical and Environmental Protection(s)

SA - System and Services Acquisition(s)

SC - System and Communications Protection(s)

IR - Incident Response
